UNOSIDER

Feel

The Shadow Experience

Unosider ha un'anima solida e rigorosa fatta di ferro e metallo e una più morbida e leggera fatta di tessuti e decori, una componente di precisione e tecnica e una invece più romantica e visionaria.

La nostra più grande capacità è quella di combinare elementi apparentemente in contrasto in uno scambio attivo e proficuo che crea un valore totalmente nuovo.

Da oltre 25 anni lavoriamo per condividere la nostra visione degli spazi esterni e costruiamo strutture che creano nuovi ambienti e nuove esperienze.

La nostra mission è porre al centro dell'attenzione i desideri e le necessità del cliente e "cucire per lui un abito perfetto realizzato con i migliori materiali".

Unosider has a solid and rigorous soul made of iron and metals and a softer and lighter one made of fabrics and decorations, a precise and technical side and a more romantic and visionary one.

Our greatest ability is to combine seemingly conflicting elements in an active and successful exchange that creates a whole new value.

For over 25 years we have been working to share our vision of outdoor space and build structures that shape new places and experiences.

Our mission is to focus our attention on the wishes and needs of the customer and "to sew a perfect dress made from the finest materials for him".
