Waranty terms

For domestic use, all products, except for cushions, covers and fabrics (including textilines), are guaranteed for a period of five years against any manufacturing defect that affects their suitability for use. This applies to normal conditions of use and maintenance. This guarantee does not apply to faults or imperfections resulting from the passage of time or normal wear and tear. Circumstances not covered by this guarantee include, but are not limited to, the fading or change in shade of colours, changes in wood texture, scratches resulting from use, etc. For non-domestic use, by the hotel and catering industry and collectives for example, all products, except cushions, covers and fabrics, are guaranteed for a period of two years. This guarantee is subject to the same conditions as outlined above.

Technical specifications

Committed to innovation and quality, Kettal’s collections are manufactured to the strictest quality standards, from the selection of the materials, to the quality and safety testing of the furniture.
