Landscape, by Kettal Studio

Landscape aims to be part of a project. It is not understood as an item apart, but instead relates to its environment and melds with it. It is the project that is important, not the product, and this is its essence. Its rationalist construction seeks to bring order, form and structure to the outdoor space. Functionally, it is designed to provide shelter: to shade and cool or protect from the elements.

Finishes

Contemporary & elegant finishes
for endless combinations.

The wide selections of materials include fabrics, metals, woods, stones and ceramics. All of these worlds form the basis of the library. We invite the professional to explore and combine colors, textures and materials to create exclusive codes for each project.

Waranty terms

For domestic use, all products, except for cushions, covers and fabrics (including textiles), are guaranteed for a period of five years against any manufacturing defect that affects their suitability for use. This applies to normal conditions of use and maintenance. This guarantee does not apply to faults or imperfections resulting from the passage of time or normal wear and tear. Circumstances not covered by this guarantee include, but are not limited to, the fading or change in shade of colours, changes in wood texture, scratches resulting from use, etc. For non-domestic use, by the hotel and catering industry and collectives for example, all products, except cushions, covers and fabrics, are guaranteed for a period of two years. This guarantee is subject to the same conditions as outlined above.

Technical specifications

Committed to innovation and quality, Kettal's collections are manufactured to the strictest quality standards, from the selection of the materials, to the quality and safety testing of the furniture.

IMO Certification

Upon request, we can certify our products under the IMO standards.

Landscape by Kettal Studio

Kettal Landscape, designed by the Kettal Studio, features modern architectural shapes that highlight nature in outdoor settings. The Landscape collection is a complete system comprised of total configurable modules, also with personalized aluminum furniture that will look great in any setting. The quality of the new structured fabric, combined with the volume and comfort of the upholstery, give the Landscape collection the modernity of proportions with an elegant look.
