Ria Soft

Design Alberto Lievore

^{IT} Ria cambia aspetto pur conservando la sua identità: quella di una seduta che mette al primo posto il comfort. Nella collezione Ria Soft l'intreccio è sostituito da una struttura in alluminio estruso, pressofuso e laminato a vista su cui poggiano delle cuscinate ultra-morbide. Le linee arrotondate di poltrona e divani mantengono continuità grazie alle cuciture tono-su-tono che si mimetizzano nell'imbottitura per un effetto di sinuosa armoniosità. La struttura è disponibile in tutte le finiture Fast e i cuscini – dall'imbottitura specifica per gli spazi outdoor e completamente sfoderabili – sono facilmente removibili. Versatile e dalle forme contenute, la collezione Ria Soft è perfetta per gli ambienti residenziali e contract, anche nella stagione più fredda.

^{EN} Ria changes appearance while retaining its identity: that of a welcoming seat that invite to relax. In the Ria Soft collection the weave is replaced by an extruded, die-cast and laminated aluminium structure. Ultra-soft cushions enrich the metal structure. The rounded lines maintain continuity thanks to the tone-on-tone seams that camouflage themselves in the upholstery for an effect of sinuous harmony. The structure is available in all Fast finishes and the cushions - with padding specific for outdoor spaces and completely removable covers - are easily detachable. Versatile and with small shapes, the Ria Soft collection is perfect for residential and contract environments, even in the coldest season.
