Solaris

Design Alberto Lievore

^{IT} Solaris è un invito al relax e alla contemplazione negli spazi aperti. Vero e proprio salotto da esterno, Solaris si contraddistingue per le sue forme generose e la modularità estrema, ideale tanto nel residenziale che nel contract. La linearità della struttura in alluminio estruso – disponibile in tutti i colori Fast – è ammorbidita dagli ampi cuscini dalla forma lievemente stondata e le proporzioni tra zona superiore e inferiore creano un sorprendente effetto di sospensione. I cuscini, specifici per l'outdoor, sono sfoderabili e previsti nelle versioni standard e waterproof. La versione base di Solaris può essere arricchita da un intreccio in corda piatta, disponibile in 6 colorazioni e abbinabile a tutte le finiture e i tessuti Fast.

Si aggiungono alla collezione Solaris i lettini, con struttura in alluminio verniciato, estruso, pressofuso e con tessuto Batyline. Disponibili anche con ruote e accessori. Schienale reclinabile in 4 posizioni.

^{EN} Solaris is an invitation to relax and contemplate the great outdoors. A genuine outdoor sitting room, Solaris stands out for its generous shapes and extreme modularity, ideal in both residential and contract settings. The linearity of the extruded aluminium frame – available in all the Fast colours – is softened by the generous cushions with a slightly rounded shape and the proportions between the upper and lower part create a surprising suspension effect. The cushions, specific for outdoor use, have removable covers and are available in both the standard and waterproof versions. The basic version of Solaris can be embellished with a flat rope braid, available in 6 colours and designed to match all Fast finishes and fabrics.

In addition to the Solaris collection are the sunloungers with a painted, extruded, die-cast aluminium structure and Batyline fabric. They are also available with castors and accessories. Reclining backrest in 4 positions.

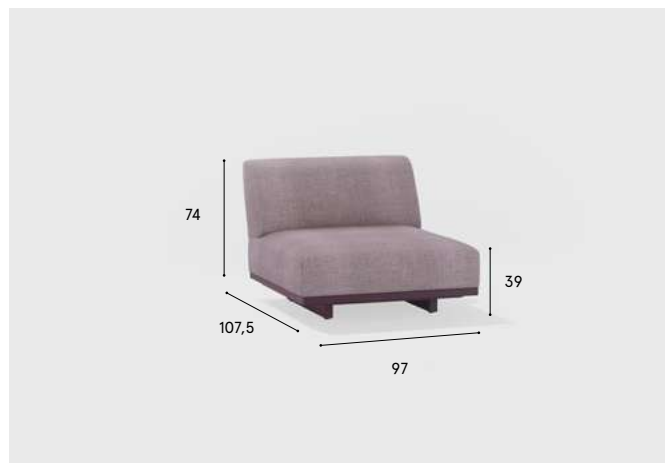

Versione con corda/Version with rope
