FAST

LEGAME TRA TRADIZIONE E INNOVAZIONE

La continua evoluzione di un'azienda Made in Italy

Fast è un'azienda italiana di arredi outdoor che affonda le sue radici in un territorio ricco di tradizione situato tra il lago d'Ildro e di Garda.

È a Vestone che si compie l'intero ciclo produttivo di ogni oggetto d'arredo pensato per vivere all'aria aperta. Il rispetto della natura e l'arte della lavorazione dell'alluminio sono i valori cardine dell'identità aziendale, le radici che ancorano il passato e guidano al futuro.

Oggi la famiglia Levrangi dirige la crescita e lo sviluppo aziendale per il raggiungimento di nuovi obiettivi, impegnandosi attivamente nei confronti delle persone e del territorio.

In Fast l'arte artigiana assume, di volta in volta, diverse forme per adattarsi a qualsiasi ambiente e incontrare il gusto degli appassionati del design.

L'esplorazione dei confini del design segna la genesi di un vortice ancora in moto. Dalla creazione della collezione Forest, bestseller dell'azienda, di Robby Cantarutti & Partners, alla sperimentazione di nuovi prodotti con lo Studio Lievore Altherr di Barcellona. A questo si aggiunge lo studio cromatico di tessuti e finiture di Antonella Frezza, fino alla più recente direzione creativa affidata ai designers Francesco Meda e David Lopez Quincoces. Il risultato è un prodotto tailor made, unione di produttività e artigianalità, di tecnica ed estetica.

La produzione interna assicura qualità assoluta: ogni arredo è osservato passo dopo passo, dalla fase di progettazione alla consegna, lungo tutto il processo di lavorazione. Dal polo produttivo di Vestone il percorso aziendale si snoda raggiungendo lo spazio del polo creativo di Roè Vociano, FastLab, entrambi immersi in un'area naturale limitrofa al Lago di Garda.

A Milano il Flagship Store, nel cuore del Durini Design District, si configura come una fucina di idee, di ispirazioni e di opportunità di confronto per i professionisti che ricevono un supporto creativo e strategico nello sviluppo del progetto.

Fast punta alla valorizzazione e alla salvaguardia del territorio circostante operando attraverso un utilizzo esclusivo delle materie prime del luogo, un dialogo con i fornitori locali e un processo produttivo centralizzato, garantendo l'eccellenza e la qualità del Made in Italy.

BETWEEN TRADITION AND INNOVATION

The unstoppable growth of a brand Made in Italy

Fast is an Italian outdoor furniture brand deeply rooted in a tradition-packed area located between Lake Idro and Lake Garda.

The entire production cycle of every piece of furniture designed for outdoor use takes place in Vestone. Respect for nature and the art of aluminium processing are the core values of the brand's identity, the roots that anchor the past and guide the future.

Today, the Levrangi family is at the helm of business growth and development to achieve new goals, actively engaging with people and the territory.

At Fast, artisanal craft is endlessly adaptable, taking on a unique form to suit any environment and cater to the individual preferences of design lovers.

Pushing the limits of design ignites a creative maelstrom that continues to swirl. From the creation of the brand's best-selling Forest collection, by Robby Cantarutti & Partners, to the testing of new products with Studio Lievore Altherr in Barcelona. This is supplemented by the chromatic study of fabrics and finishes by Antonella Frezza, up to the most recent creative direction entrusted to the designers Francesco Meda and David Lopez Quincoces. The result is a tailor-made product, bringing together productivity and craftsmanship, technique and aesthetics.

In-house production ensures impeccable quality: every piece of furniture is monitored step by step, from the design phase through to delivery, throughout the entire manufacturing process. From the production hub in Vestone, the company's business unfolds to reach the creative hub in Roè Viciano, FastLab, both immersed in a natural area bordering Lake Garda. In Milan, the Flagship Store, in the heart of the Durini Design District, is a melting pot of ideas, inspirations and opportunities for discussion for professionals who receive creative and strategic support in the development of the project.

Fast aims to enhance and safeguard the surrounding territory by doing business through the sole use of local raw materials, liaising with local suppliers and a centralised production process, guaranteeing outstanding quality of excellence Made in Italy.

DIFFERENTI PER NATURA

L'anima della natura risplende di cultura antica e bellezza contemporanea. Fast immagina nuovi design ispirandosi a ciò che la natura ha creato.

Fast promuove una filosofia produttiva improntata sul rispetto e sulla valorizzazione del territorio circostante, e asseconda il richiamo di una vita all'aria aperta creando oggetti d'arredo che si contestualizzano con la natura.

Questo sentimento si declina in divani, lettini, poltrone, sedie, tavoli e madie che dialogano armonicamente con gli spazi outdoor. Uno stile senza tempo, non soggetto alle mode passeggere, che punta su processi a basso impatto ambientale e materiali di qualità; in particolare l'alluminio, sostenibile per definizione in quanto riciclabile all'infinito, abbinato a tessuti e a materiali come il gres porcellanato, la pietra lavica e il legno nelle varie declinazioni disponibili a catalogo.

Il Made in Italy è espressione e conseguenza di un legame forte con le radici della Valle Sabbia. Una realtà motivata nella crescita e proattiva nel restituire alla terra i benefici ricevuti, in un autentico rapporto di scambio con la natura.

Un senso di appartenenza che punta alla sostenibilità. La centralità della catena produttiva, lo sviluppo tecnologico degli impianti che lavorano le materie prime locali e riciclabili, la lean production e la collaborazione con fornitori locali. Sono questi i fattori determinanti che hanno sviluppato una produzione sostenibile a livelli sempre più elevati.

DIFFERENT BY NATURE

The soul of nature reverberates with ancient culture and contemporary beauty. Fast imagines new designs inspired by what nature has created.

Fast is dedicated to creating products that respect and enhance the natural world. Their outdoor furniture is designed to harmonize with nature, encouraging you to experience the beauty of the great outdoors.

This emotion is embodied in sofas, sun loungers, armchairs, chairs, tables, and sideboards that create a harmonious interplay with outdoor spaces. A style that transcends trends, embracing sustainability through low-impact processes and premium materials. Aluminium, the epitome of recyclability, takes centre stage, complemented by a palette of fabrics and materials such as porcelain stoneware, lava stone and wood in the various versions available as standard.

Our excellence Made in Italy is the expression and consequence of a strong bond with our roots in Valle Sabbia. A company committed to growth and sustainability, actively replenishing the earth's resources and fostering a genuine partnership with nature.

A deep-rooted connection that drives sustainability. A focus on a streamlined production chain, advanced technology for processing local and recyclable materials, lean manufacturing principles, and strong partnerships with local suppliers. These are the key factors that have developed sustainable production at ever higher levels.

ALLUMINIO

Qualità e firme del design, radici che durano per sempre

Da sempre Fast reinterpreta i codici dell'eleganza con arredi outdoor che uniscono l'arte artigiana alle più progressiste tecniche industriali, all'insegna di una cultura che del Made in Italy ha fatto la sua storia.

La produzione interna è ciò su cui si fonda la visione dell'azienda. Uno scenario alimentato dalle innovazioni tecnologiche che tramutano il sapere artigianale in know-how industriale e garantiscono l'eccellenza nella creazione delle collezioni di design, customizzabili grazie all'ampia varietà di finiture disponibili a catalogo.

Complementi d'arredo dalle linee essenziali e sinuose, altamente resistenti alle sollecitazioni degli agenti esterni e al contempo funzionali, offrono qualità e raffinatezza in ogni dettaglio per vivere l'outdoor comodo con il massimo del comfort.

ALUMINIUM

Quality and design signatures, roots that last forever

Fast has always been at the forefront of redefining elegance in outdoor living, blending time-honoured craftsmanship with cutting-edge industrial processes, a testament to the enduring legacy of excellence Made in Italy.

In-house production is the cornerstone of the company's vision. A dynamic environment where technological advancements elevate traditional craftsmanship to an industrial scale, resulting in exceptional design collections that can be tailored to individual preferences with a vast array of standard finishes.

Furniture with elemental and sinuous silhouettes, highly resistant to the stresses of external agents and at the same time functional, offering quality and refinement in every detail for comfortable outdoor living.

L'azienda Fast è qualificata nel processo di lavorazione dell'alluminio. Un materiale dotato di caratteristiche di leggerezza, versatilità, duttilità. Una lega 100% sostenibile, infinite volte riciclabile.

Fast is an authority in aluminium processing. A material with characteristics of light weight, versatility and ductility. A 100% sustainable alloy that is infinitely recyclable.

WILD

Design Robby Cantarutti & Partners

^{IT} Un nome che evoca la savana e la natura incontaminata: la collezione Wild riprende nella struttura i grafismi disegnati dai rami che nel fitto di una foresta s'intrecciano. La serie di tavoli dining, tavoli bassi, e pouf mantiene una grande coerenza formale e stilistica, donando all'ambiente un tocco esotico.

^{EN} A name that brings to mind savannas and untouched nature: the structure of the Wild collection recalls the patterns of intertwined branches in the midst of a thick forest. This collection of dining tables, low tables and poufs maintains great formal and stylistic coherency, bringing an exotic touch to any room.
